Gigabit Series IP phone					
GS620-PE		8 Lines Gigabit Color IP Phone 480x272 HD Color LCD,Customizable Screen,8 SIP accounts, Adjustable bracket, HD Voice,7 Programmable Key,BLF, XML , Headset,2xRJ45, PoE, HD Codec, HD speaker, HD handset,With max 6 Expansion Modules up to 192 keys,Gigabit Ethernet Port for uplink and downlink, USB(charge mobile phone)	7975		8 lines gigabit color IP Phone 320×240 Color LCD,Touch screen, Digital, 16-bit graphical backlit TFT Color, 5.6",XML, 2*RJ45,PoE, With max 2 EM up to 28 keys, Gigabit Ethernet port, Adjustable bracket,
GS330-PEN		3 Lines Gigabit Professional IP Phone 128*64 graphic LCD,3 SIP accounts, Adjustable bracket, HD Voice, 12 Programmable Key,BLF, XML , Headset, 2xRJ45, POE, Gigabit Ethernet Port for uplink and downlink,PoE. HD Codec, HD speaker, HD handset,With max 6 Expansion Modules up to 192 keys,USB(charge mobile phone)	7965		6 lines gigabit color IP Phone 320×240 Color LCD, Digital, 16-bit graphical backlit TFT Color, 5", XML,2*RJ45,PoE, With max 2 EM up to 28 keys, Gigabit Ethernet port, Adjustable bracket,
			7945		2 lines gigabit color IP Phone 320×240 Color LCD,Digital, 16-bit graphical backlit TFT Color, 5", 2 DN's supportedXML,2*RJ45,PoE, With max 2 EM up to 28 keys, Gigabit Ethernet port, Adjustable bracket,
Enterprise Series IP phone					
ES620PEN		8 Lines Color IP Phone 480x272 HD Color LCD,Customizable Screen,8 SIP accounts, Adjustable bracket, HD Voice,7 Programmable Keys,BLF, XML , Headset,2xRJ45, PoE, HD Codec, HD speaker, HD handset,With max 6 Expansion Modules up to 192 keys,Gigabit Etherhet Port for uplink and downlink, USB(charge mobile phone)	7970		8 lines color IP Phone 320*234 color LCD, 8 DN's supported, adjustable bracket, HD Voice, PoE, Built-in headphone connection, XML.
ES410-PE A14		4 Lines Advanced IP Phone 240x160 graphic LCD,Customizable Screen,4 SIP accounts, Adjustable bracket,8 Programmable Keys,BLF, XML ,Headset,2xRJ45,PoE,HD Codec, HD speaker, HD handset,With max 6 Expansion Modules up to 192 keys,USB(charge mobile phone)	7961		320 x 222 graphic LCD, 6 DN's supported, 4 soft keys, adjustable bracket, XML, RJ45, PoE,With max 2 EM up to 28 keys.
ES330-PEN		3 Lines Professional IP Phone 132*64 graphic LCD,3 SIP accounts, Adjustable bracket, HD Voice, 12 Programmable Keys,BLF, XML ,Headset,2xRJ45,PoE.HD Codec, HD speaker, HD handset,With max 6 Expansion Modules up to 192 keys,Gigabit Etherhet Port for uplink and downlink, USB(charge mobile phone)	7941		320 x 222 graphic LCD,2 SIP accounts,4 customizable function keys, adjustable bracket, XML, RJ45, PoE.
ES292-PN		3 Lines Professional IP Phone 132*64 graphic LCD,3 SIP accounts, Adjustable bracket, HD Voice,BLF, XML ,Headset,2xRJ45,PoE.HD Codec, HD speaker, HD handset,With max 6 Expansion Modules up to 192 keys,Gigabit Etherhet Port for uplink and downlink, USB(charge mobile phone)	7931		192×64 graphic LCD,24 programmable Keys,4 customizable function keys, adjustable bracket, XML, BLF, PoE,2*RJ45.

ES290-PN		2 Lines Entry Level IP Phone 132*64 graphic LCD,2 SIP accounts, 2 level adjustable bracket, 4 soft keys, HD Codec, HD speaker, HD handset, XML, Headset, 2xRJ45, PoE,USB(charge mobile phone)	7911		192x64 graphic LCD, 1 DN supported,4 soft keys,PoE.
ES220-PN		2 Lines Basic Level IP Phone 132x32 graphic LCD, 2 SIP accounts, HD Voice,XML,Headset,2xRJ45,PoE.	SIP 3911		144x32 graphic LCD, 1 DN supported, XML.
Expansion Module					
ESM 32		Programming Hotkey Expansion Module 32 programmable keys each with a three-colour LED,BLF, Speed dial, Conference, Call waiting, DND,Expansion module is powered by the host phone,Daisy-chain 6 modules for 192 programmable keys	7914		IP Phone Expansion Module 14 programmable keys each with a three-colour LED, BLF, Speed dial, line keys, System requirement, Hard ware requirement, Daisy-chain 2 modules for 28 programmable keys.
